

BE AN OBEDIENT SHEEP

PSALM 23:1

“The Lord is my shepherd; I have all that I need (NLT)”

We read a very familiar, encouraging and powerful verse.

We can understand from this verse that, when a person is an obedient sheep of Lord, he will be satisfied in his life.

Mathew 6.33 says, Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need (NLT).

An obedient sheep of Lord, have to seek the Kingdom of God and live righteously. Then that sheep will be able to enjoy all the provisions provided by the shepherd in all needs of his life, may it be food, shelter, clothing etc...

On the contrary, a sheep will be experiencing emptiness in many areas of life, if the sheep fall short in obeying the shepherd. It is that simple. If emptiness, loneliness, gloom and frustration exist in our lives, then it will be good to assess our submissiveness and obedience to Lord in all areas of our life. Also, it will be advisable to check whether anyone / anything else in this world is shepherding us....

Let us Pray and start our day

Lord, you have assured me that as my Shepherd, you will provide me everything that I need. However, in certain areas of my life I am going through dissatisfaction, loneliness, and emptiness. Spirit of Lord talked to me this morning to submit those areas of my life fully to you shepherd. I am fully submitting myself, cleanse me Lord with your precious blood and restore the peace, joy and provisions in all areas of my life. I love you Lord, you are my everything.
