

## Spirit and Will

Scripture says that when Jesus Christ ascended into heaven, HE sent HIS Spirit to each one of us, who resides within us. The Power that is stronger than your enemy.

We all know the character 'Popeye' the sailor, who always used to get that extra strength and power to overcome the enemy, as soon as he had the can of Spinach from his pocket. Until he had, he used to be the victim and get beaten up by the enemy, but as soon as he had the spinach he got the strength to declare victory over his enemy...

Likewise, we all have "**the power of Holy Spirit**" within us. We see in different parts of the scriptures that Spirit intervened with many and revealed the KRA's like...Bezalel, got the skills and wisdom to build up the Tabernacle of God, Moses got the ability to lead, judge, minister and ability to bless, Joshua, got the power to walk on the footsteps of Moses to lead people to the Promised land and have victory, Samson got the power and strength to overcome the enemies of God, Ezekiel got the power to be the spokesperson of God, Messiah got the power to bring Salvation to the whole humanity.

Spirit comes on us so that we could do the will of God...to connect between the Spirit and the will. Its interconnected and joined together. So, with the will of Holy Spirit, we are able to accomplish the will of God.

Desire to do the will of God helps us to fulfil the will of God through HIS spirit of God. Most of us struggle with doing the will of God. Doing what is right and not doing that is wrong. Spirit and will are not separate realms. It's one realm. We have to bring them together. One is dependent on the other...in other words one has everything to do with the other.

We have the spirit within us. What we need to do is to realise it and to have the willingness.

Shalom to all!
