

THE GOLDEN PROMISE OF GOD

Isaiah 41:10

Fear not, for I am with you, be not dismayed for I am your God, I will strengthen you, I will help you, i will uphold you with my righteous right hand.

We often promise our friends and families. Why and when do we promise?

Why do we promise?

- a) to build the trust
- b) to have confidence in us
- c) to convey that we stand by him.

When do we promise?

- a) When we have confidence in our own self
- b) when we believe that it is possible.

Do you know that the promises that we make has a miniscule percentage of failure? Anything and everything can fail at any moment because we have no control over time and tide. Everything is under HIS command. The next moment what will happen to us is not known to us but HE has knowledge of everything that is about to happen because the blue print of our existence is there with HIM.

Each one of us is an individual entity in the eyes of GOD. The living words

I AM WITH YOU.

I WILL BLESS YOU.

are the only promise which gives us the hope/courage/ strength/confidence/trust/faith to get up every morning with the beautiful creation, with bright morning sun with birds chirping, squirrels flicking its bushy tails, jumping from one branch to the other, beautiful butterflies hovering over flowers for its food...makes our day brighter than ever.

What else do we need other than this golden promise "I am with you" especially from the creator, the maker of heaven and earth, who will adhere and stand with HIS promise. Don't be

afraid God of heaven is there with us. Not only HE is with you...HE has extended HIS promise a big step ahead saying 'I will Bless You'. What a great promise....

It's like "Promise attached with a gift". How amazing and wonderful is HIS LOVE for us...HE makes us feel so SPECIAL.

Believe me NO Love can be ever bigger than HIS love...

KEEP BASKING IN HIS LOVE.

Shalom to all!
